ACM General Assembly for Grenada - December 12

November 30, ACM - The Association of Caribbean MediaWorkers (ACM) will host its Fifth Biennial General Assembly in Grenada on December 12, 2009.

The Assembly follows 'Information for Action V' – the latest in a series of workshops led by the United Nations Information Centre for the Caribbean Area and the ACM. This year's workshop is entitled: 'Violence Against Women: Ending a Global Pandemic.'

The workshop is being supported by the Embassy of the Kingdom of the Netherlands in Port of Spain, Trinidad and by the United Nations Development Fund for Women (UNIFEM). It will run from December 10-12.

Jamaica-based Women's Media Watch (WMW), the Media Workers Association of Grenada (MWAG) and other national media worker organisations will assist in facilitating the event.

At the General Assembly, 'State of the Media' reports are expected from ACM member organisations and focal points. Officers for the new 2009-2011 term will also be elected.
